

Central Indiana Senior Fund 2018 Grant Guidelines

About Central Indiana Senior Fund's Grant-making Program

Central Indiana Senior Fund (CISF) invests in organizations and programs that serve seniors (age 55 and older) who are low- to moderate-income and/or isolated from community resources and opportunities. Our competitive grants enable organizations to provide effective programs and respond to the needs of seniors in the neighborhoods and communities they serve. Eligible organizations serve seniors residing in the Central Indiana 8-County Region (Marion and the 7 surrounding counties). Priority will be given to organizations which did not receive 2017 CISF funding.

Concept Proposal Form – Must be Submitted April 1 – April 30

Organizations wishing to be considered for funding must submit a Concept Proposal through the CICF portal at <https://cicf.smartsimple.com> **between April 1 - April 30, 2018**. When submitting a Concept Proposal, choose the Central Indiana Senior Fund Call Name under Open Call. During the Open Call period, organizations can start a Concept Proposal then finish it at a later date. If an organization does not have a current Organizational Profile, it must either create one or update the Profile in the system before completing the Concept Proposal. An Organizational Profile can be created or updated at any time.
