

## Central Indiana Senior Fund 2022 Grant Guidelines

### About Central Indiana Senior Fund Grantmaking

Central Indiana Senior Fund, a fund of Central Indiana Community Foundation, believes it is our mission to mobilize people, ideas and investments to make this a community where all individuals have equitable opportunity to reach their full potential, no matter place, race or identity. For more information go to <https://www.cicf.org/not-for-profits/equity-framework/>.

Central Indiana Senior Fund invests in organizations and programs that serve seniors (ages 55 and older) who are low- to moderate-income and/or isolated from community resources and opportunities. Eligible organizations serve seniors residing in Central Indiana (Marion and the seven immediate surrounding counties). **We want to help you serve your community.**

### Types and Size of Grant Awards

Central Indiana Senior Fund accepts applications for operating and program support. Only organizations with a mission to exclusively serve seniors may submit a request for operating support. Grants range from \$5,000 to \$50,000, with an average of \$20,000-\$30,000. Organizations that received a grant in 2021 are eligible to apply in 2022.

### Who We Fund

- 501(c)(3) organizations that serve seniors
- Organizations that have not yet received their 501(c)(3) status may use an approved fiscal agent

### What We Fund

We are open to all requests for funding of senior services. We are deliberately interested in racial equity as it pertains to the following areas of need (which are in no priority order):

- Helping seniors age in place by funding housing maintenance/accessibility
- Decreasing hunger by funding food access and affordability
- Mitigating isolation and loneliness
- Supporting caregivers
- Decreasing senior homelessness
- Supporting programs that serve immigrant and undocumented seniors

## What We Don't Fund

- Organizations or projects that discriminate based upon race, religion, ethnicity, age, gender or sexual orientation
- Grants to individuals
- Political campaigns or activities intended to influence public officials
- Projects aimed at promoting a particular religion
- Construction projects of schools, churches or other religious institutions
- Special events or fundraising activities
- Post-event or after-the-fact situations or debt retirement
- Basic medical, scientific or academic research
