- The new flight departs on the same day as the original.
- The departure and arrival airports remain the same.
- The change is requested within 24 hours before the scheduled departure.

For personalized guidance, you can always call **+1-838-345-9506** to speak with an Alaska Airlines representative.

Same-Day Confirmed Change vs. Standby Option

Alaska Airlines offers two options for passengers looking to switch flights on the same day:

- **Same-Day Confirmed Change:**
For a small fee (usually around \$25–\$50, depending on your fare type), you can confirm a seat on another flight departing the same day.
- **Standby Option:**
If confirmed changes aren’t available, you may opt for standby. You’ll be placed on a waiting list, and if a seat opens up, you can board the new flight without paying the full fare difference.
